See website for details or call Stephen Gorton (82204), Philip Brown (82478), John Melling (82092) or Rob Shephard (82474)

**INVITATION TO WALK OR RUN ONE OF THE
PATTERDALE PARISH BOUNDARY WALKS
SATURDAY 6 July 2019
IN AID OF PATTERDALE SCHOOL AND CHURCH**

1. **“The Full Monty” - The whole Patterdale Parish Boundary** is about 30 miles long and has about 10,000 feet of ascent – and may take 12 to 18 hours. It starts at Glencoyne and runs over Greenside, Stybarrow Dodd, Raise, Whiteside, Low Man, Helvellyn, Nethermost Pike, Dollywagon Pike, Seat Sandal, Fairfield, Hart Crag, Dove Crag, Red Screes, Kirkstone Top, John Bell’s Banner, Stony Cove Pike, Thornthwaite Beacon, High Street, The Knott, Rest Dodd, Place Fell. The Boundary ends on Ullswater below Kilbert How, opposite Aira Force. Teams then make their way to Patterdale School.

2. **“The Second Half” - The last part of Patterdale Parish Boundary** is about 14 miles long and has about 3,500 feet of ascent – and may take 5 to 9 hours. It starts at Kirkstone Top and runs over John Bell’s Banner, Stony Cove Pike, Thornthwaite Beacon, High Street, The Knott, Rest Dodd, Place Fell. The Boundary ends on Ullswater below Kilbert How, opposite Aira Force. Teams then make their way to Patterdale School.

3. **“The Patterdale Parish Walk”** - is 7 miles long. It starts at Kirkstone Top (roughly the half-way point of the Patterdale Parish Boundary) and ends at Patterdale School – this may take 2 to 4 hours and includes a quiz along the route. From Kirkstone Top car park, this Walk drops down the fell side (NOT down the Kirkstone road) to the Red Pit car park, down the track to the west of the Kirkstone road and beck, over the small Caiston beck bridge, past the Ancient Settlement, Hartsop Hall, Brotherswater, Cow bridge, Hartsop road end, Beckstones farm, Crook-a-beck, Side farm and ending at Patterdale School.

PLEASE JOIN US & TELL YOUR FRIENDS

If you would like to take part please contact before the end of June,

Guidance Notes for the Patterdale Parish Boundary Walks

ADVICE

- Everyone taking part must belong to a Team which should have 3 people or more. Teams must be registered at the relevant start point and provide full details including a contact mobile phone number.
- Teams should be experienced and fit and able to complete the Walk.
- Young people under 16 should not take part in the full 30 mile Boundary Walk.
- **“Full Monty”** Teams must start at Glencoyne car park (map ref: 387 188) (not Glenridding car park) between 5am and 07:30am. At the start, Teams should take the track up to Greenside via Glencoyne Farm and Seldom Seen (instead of going up the beck). Teams must then check in at half way – Kirkstone Car Park (map ref. 401 080) and finally at Patterdale School (map ref. 394 162)
- **“Second Half”** Teams must start at Kirkstone Top car park (map ref. 401 080) between 9.30am and 1.00pm and should finish (5 - 9 hours later?????) at Patterdale School (map ref. 394 162)
- **“Patterdale Parish Walk”** Teams must start at Kirkstone Top car park between 10.30am and 1.00pm and should finish (2 - 4 hours later?????) at Patterdale School.
- Teams should follow the routes as described above and as detailed on the 1:25 000 Ordnance Survey Map.
- At the end of the day, Teams doing the full monty and second half are advised to take the easiest way off Place Fell (instead of coming down Kilbert How) if they are tired or it is getting dark.
- Checkpoints as follows:
 1. at Glencoyne car park at the start (map ref: 387 188) – Fully Monty Start
 2. at Kirkstone Top (map ref. 401 080) – All three walks
 3. Finally at Patterdale School (map ref. 394 162) – All three walks
- Patterdale School is the Control Centre (Tel. 017684 82383)
- It is essential that everyone reports to Patterdale School at the end of the Boundary Walk so they can be checked out. This includes people who have dropped out – who should report from the valley bottom and not from the fell!
- People within each Team should keep together all the time and should not split up.
- If one Team member wishes to drop out, the other Team members should take responsibility and make sure that he or she is safe and reports to Patterdale School.
- If a Team member becomes a casualty, one member should stay with the casualty while another reports to Patterdale School.
- If there is an accident Patterdale Mountain Rescue Team may be called out in the normal way by a 999 call. Our thanks to the Rescue Team.
- There are refreshments at Kirkstone and at Patterdale School.
- Everyone should carry a map, compass, whistle, wet weather gear, first-aid kit, food, water, torch and spare batteries.
- Sunrise is at 4.40am. Sunset is at 9.50pm.
- Every Team must have a recognition name eg THE SNAILS.
- The weather can be very bad with heavy rain and high winds, even in Summer.

People take part entirely at their own risk.

Route Check List - Full Monty

PATTERDALE PARISH BOUNDARY WALK OR RUN ROUTE CHECK LIST AND TARGET TIMES
